

# COMMUNICATIONS IN BUSINESS & TECHNICAL REPORTS

Designed to enhance  
communication skills across all  
professional levels

**SUPPORTS FINGAL CHAMBER  
SKILLNET'S PRIORITIES**

# BUSINESS AND TECHNICAL REPORTS

## MASTER CLARITY, STRUCTURE, AND IMPACT IN BUSINESS WRITING

Clear and effective writing is crucial for conveying information, influencing decisions, and ensuring professionalism. In Fingal's diverse industries—spanning logistics, aviation, technology, and pharmaceuticals—professionals must write with precision, whether presenting data or making a persuasive case. This course provides the skills to craft structured, concise, and compelling business and technical reports that drive decision-making and organizational success.

### Who is this course for?

- Professionals responsible for writing business reports, proposals, or technical documentation.
- Team leaders and managers who need to present data-driven insights clearly.
- Anyone looking to refine their ability to communicate complex information effectively.

### Key Learning Outcomes

By the end of this course, participants will:

- Differentiate between business and technical writing styles and purposes.
- Develop structured, impactful reports tailored to specific audiences.
- Present data clearly and concisely to enhance decision-making.
- Apply AI-powered tools to improve clarity, accuracy, and efficiency.

# BUSINESS AND TECHNICAL REPORTS
